RE: HILL V. TISCH et al.
Dkt. No. 02-CV-3901 (DRH) (MLO);

Dear honorable Judge orenstein:

I write to inform the court after being moved several times, I am currently back in the m.d.c. in brooklyn n.y.. Also I will be asking this institution "again" for time, space, and date of when I can do depositions on the defendants. If I receive no response "again" I will be asking the court to issue an order scheduling ~~the~~ depositions to be taken of all defendants, in the hopes that this litigation can be moved along.....

Thank you for your time & consideration.

Sincerely
Demetrius Hill
